

## FREQUENTLY ASKED QUESTIONS

---

**Q. How do I book a show?**

**A. Contact us with a date and any other info & we will get the ball rollin' !**

**Q. Can our show be outside?**

**A. Most of our shows are outdoors on your school's playground on the basketball court.**

**Q. Does our school need to provide anything?**

**A. Just a basketball hoop (does not need to be regulation height) and electricity for the sound system that we will provide.**

**Q. How many students can attend one assembly?**

**A. The TNT Dunk Squad does not limit the number of students per assembly. However for outdoor assemblies we recommend 800 students or less.**

**Q. What is the length of your assembly?**

**A. Our typical assembly will last 40 minutes. Performance time can be shortened or lengthened if need be.**

**Q. What happens if it rains?**

**A. We will reschedule at your earliest convenience.**

**Q. Do you have set up requirements?**

**A. We will need one whole basketball court or a minimum of a 90' x 30' level space. We only use one basketball hoop. We cannot dunk on a hoop that has a chain net. We will switch it out with a cloth net if you tell us ahead of time.**

**Q. What age group is this appropriate for?**

**A. The great thing about our performance is it appeals to all age groups. Elementary through High School students love the combination of basketball & gymnastics presented in a fun action packed assembly.**

**Q. Will our students participate in the show?**

**A. Yes. We bring students out for skits and to participate. We will not let students jump on the trampolines (as much as they would like to) 😊**

**Q. How does the press release work?**

**A. Once your assembly date is set, fill out the Press Release & send to your local newspapers. Let your community know about the positive message you are bringing into your school!**
